To whom it may concern

Dear Sir/Madam

Letter of Confirmation of Proficiency in English Language for the AIMS-Cameroon student Nji Ruth Mbikang

I write at the request of the student **Nji Ruth Mbikang** to let you know that she is currently studying within the Structured Master's Program in Mathematical Sciences at the African Institute for Mathematical Sciences (AIMS) Cameroon which started in August 2023 and will end in June 2024 —where English is the sole Language of Instruction.

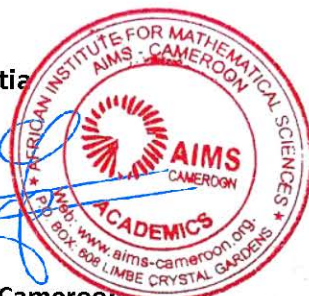

During this time, students who are not fluent enough in English attended extra five hours English Language sessions every week, from August 2023 to May 2024.

I therefore certify that **Nji Ruth Mbikang** is able in writing, reading and understanding English Language well enough to have completed our demanding program delivered in English with in addition, a compulsory requirement for any student to write and present a Master Thesis/Essay in English.

Given that **Nji Ruth Mbikang** did all her previous studies with English as the sole Language of Instruction, I am convinced that she is proficient in the use of English Language.

Sincerely,

Dr. Daniel Duviol Tcheutia

Academic Director, AIMS-Cameroon
